

MARXY

The fair auction on Solana.

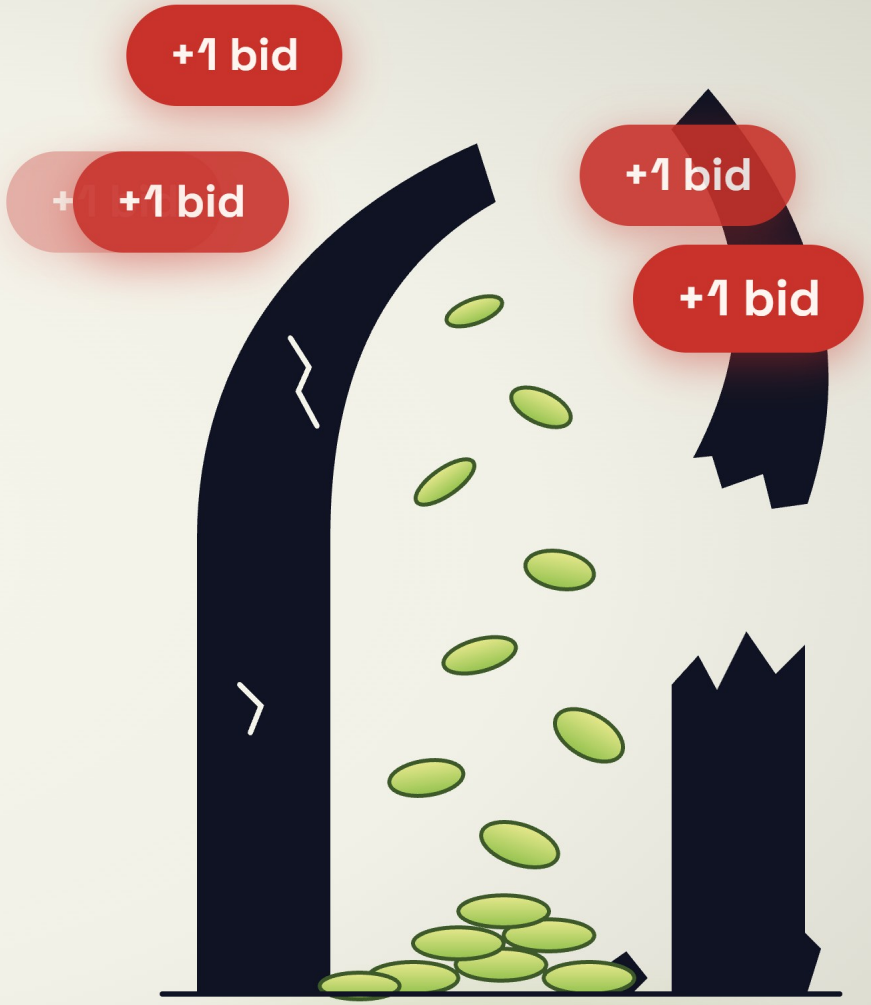

Limited resources

Timing

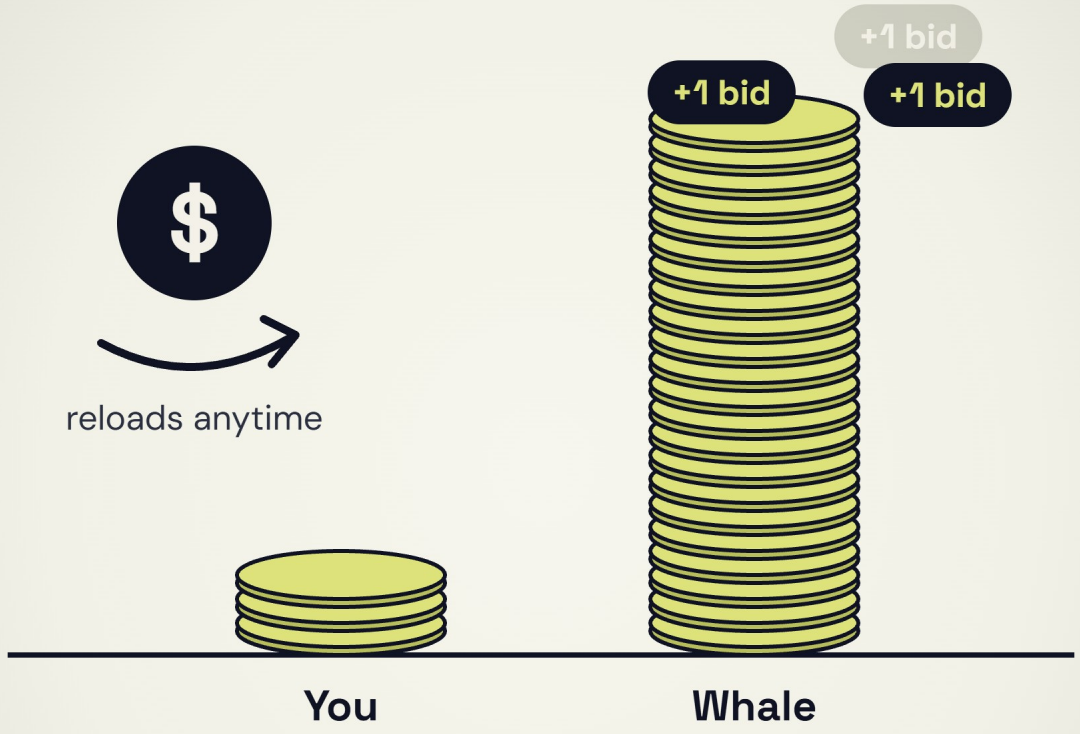

Strategy

The biggest wallet wins.

You can keep buying bids while the auction runs.

PENNY AUCTIONS TODAY

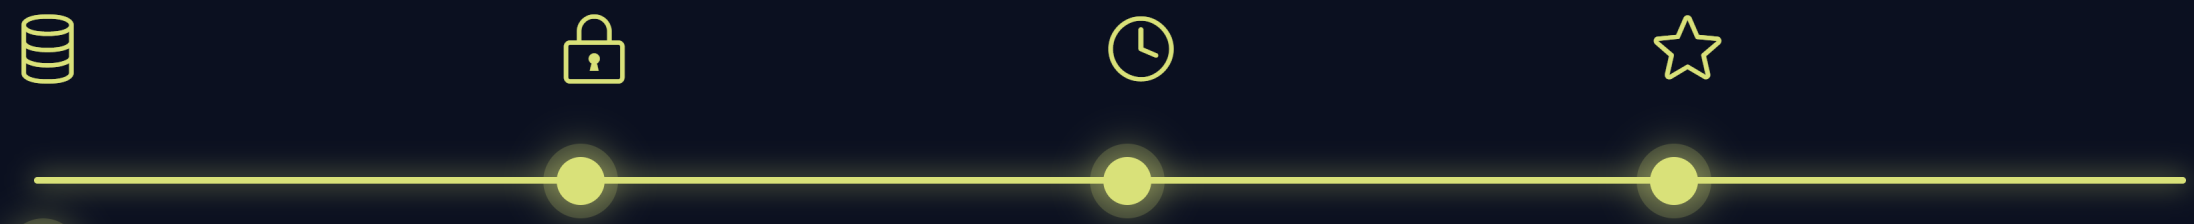

Deepest wallet wins.

MARXY

Same cap. Strategy wins.

01

Buy

Get credits before the start

02

Lock

Gates close. No more credits

03

Battle

Each bid resets the timer

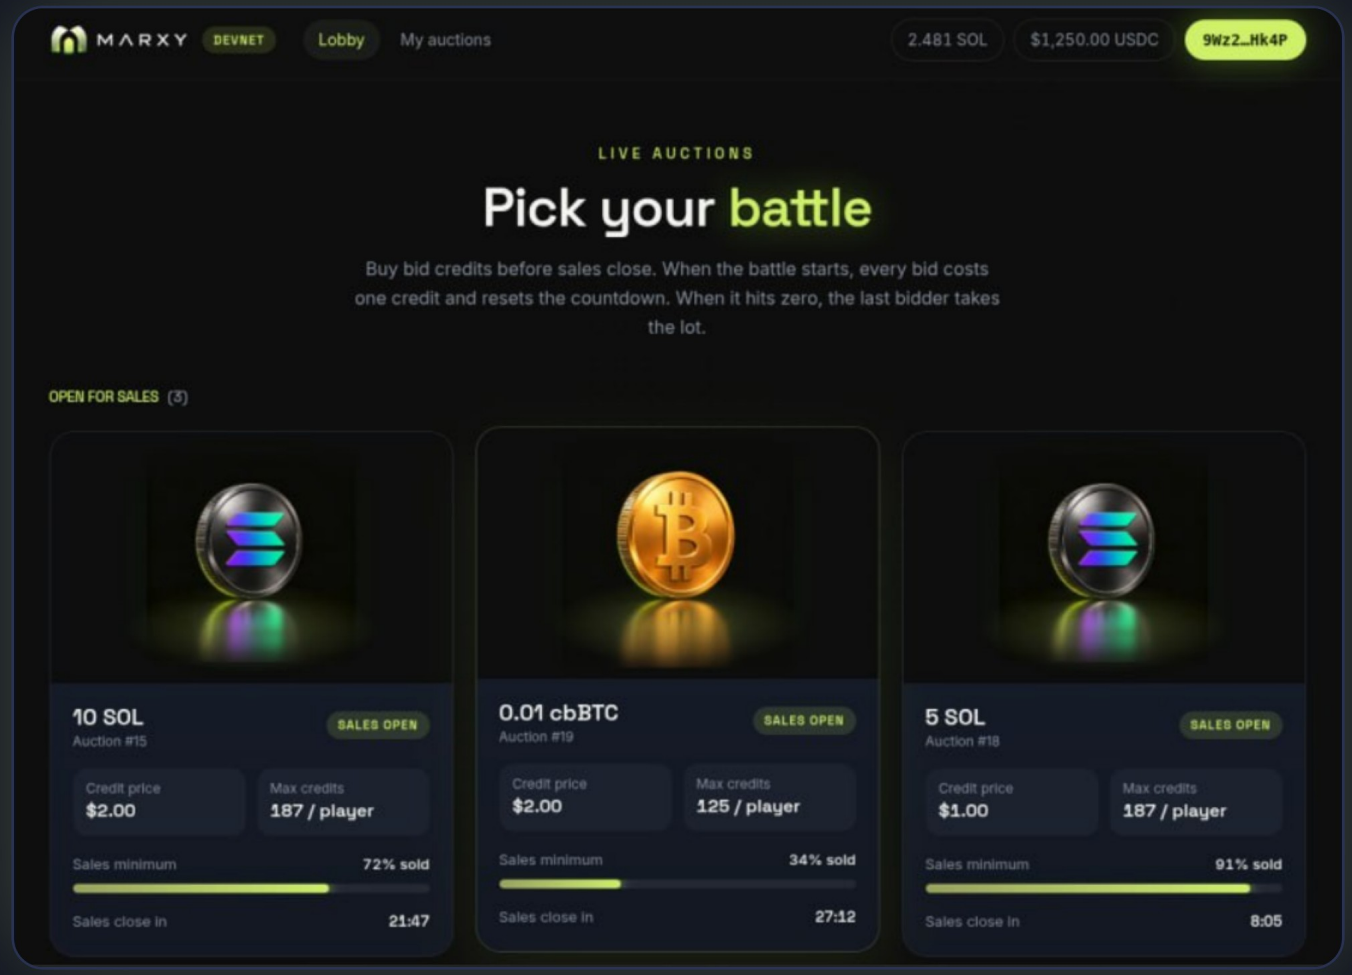

04

Win

Last bidder takes the prize

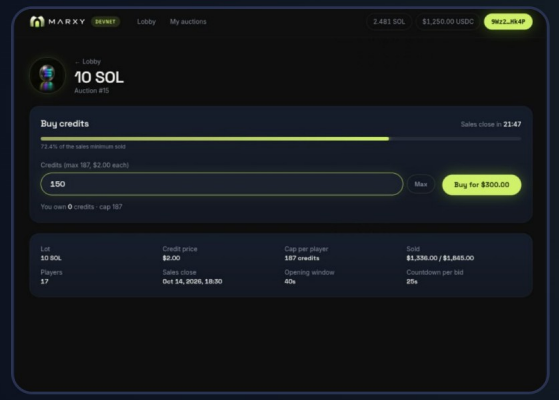

A working MVP, not just an idea.

- ✓ Credit sales with a cap per player
- ✓ Sales minimum, then sales lock
- ✓ Every bid resets the countdown
- ✓ Prize settles on-chain to the winner
- ✓ Unused credits burn

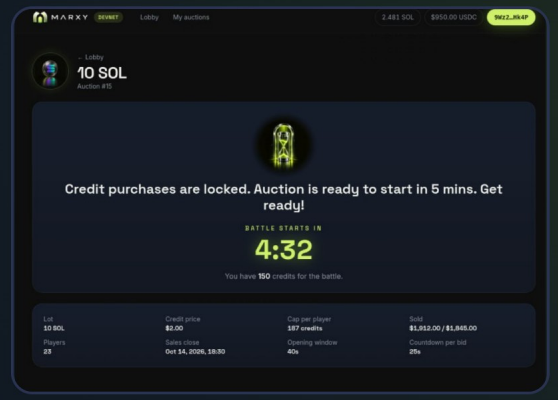

From buy to win.

01 Buy credits

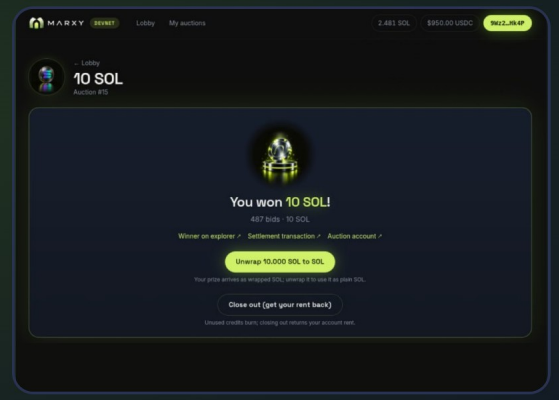

02 Sales lock

03 Battle

04 Win

MARKET

$20B

online auction market

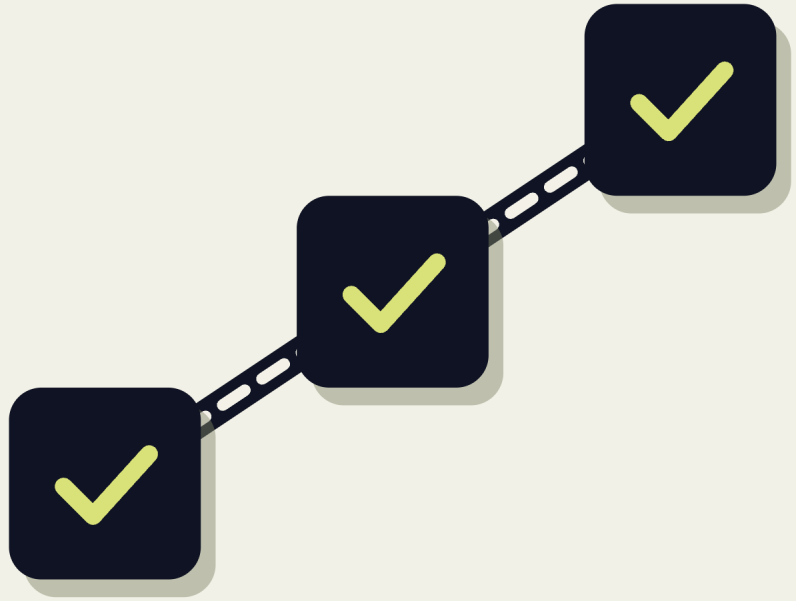

+7% every year

BUILT FOR

- Everyday bidders
- Solana users
- Brands & creators

On-chain programs enforce the rules.

- ✓ Every credit tracked on-chain
- ✓ Prize held in escrow
- ✓ Fast and cheap for every bid

Equality.

~~Not how much you spend.~~

When and how you use it.
